

# REGIONAL FLOOD CONTROL DISTRICT

## NOTICE OF PUBLIC MEETING

### CLARK COUNTY REGIONAL FLOOD CONTROL DISTRICT CITIZENS ADVISORY COMMITTEE

JULY 2, 2018  
3:00 P.M.

RFCD/RTC ADMINISTRATION BUILDING  
FIRST FLOOR MEETING ROOM #108  
600 SOUTH GRAND CENTRAL PARKWAY  
LAS VEGAS, NEVADA 89106

**\*\*FOR ADDITIONAL INFORMATION CONTACT:**

DEANNA HUGHES, BOARD SECRETARY  
600 SOUTH GRAND CENTRAL PARKWAY, SUITE 300  
LAS VEGAS, NEVADA 89106  
(702) 685-0000

TT/TDD: Relay Nevada toll free (800) 326-6868

This meeting has been properly noticed and posted at the following locations:

Clark County Regional Flood Control District 600 South Grand Central Parkway Las Vegas, Nevada 89106	Clark County Regional Flood Control District Worldwide Website <a href="http://www.regionalflood.org">www.regionalflood.org</a>
Clark County Government Center 500 South Grand Central Parkway Las Vegas, Nevada 89155	City of Boulder City 401 California Boulder City, Nevada 89024
City of Henderson 240 Water Street Henderson, Nevada 89015	City of Las Vegas 495 S. Main Street Las Vegas, Nevada 89101
City of Mesquite 10 East Mesquite Boulevard Mesquite, Nevada 89027	City of North Las Vegas 2250 Las Vegas Boulevard North Ste. 800 North Las Vegas, Nevada 89030
The Notice, Agenda, and Agenda Full-Backup have been posted on the District's Website at <a href="http://www.regionalflood.org">www.regionalflood.org</a>	The Notice has been posted on the State of Nevada Public Notice Website at <a href="https://notice.nv.gov/">https://notice.nv.gov/</a>

By: \_\_\_\_\_

*Dorothy Davis*

\*\*Supporting material available upon request.

1. **Comments By the General Public**

This is a period devoted to comments by the general public about items on **this** agenda. If you wish to speak to the Regional Flood Control District Citizens Advisory Committee about items within its jurisdiction but not appearing on this agenda, you must wait until the "Comments By the General Public" period listed at the end of this agenda. Comments will be limited to three minutes. Please step up to the speaker's podium, clearly state your name and address and please **spell** your last name for the record. If any member of the Regional Flood Control District Citizens Advisory Committee wishes to extend the length of a presentation, this will be done by the Chairman or the Regional Flood Control District Citizens Advisory Committee by majority vote.

# REGIONAL FLOOD CONTROL DISTRICT

**AGENDA**  
**CLARK COUNTY REGIONAL FLOOD CONTROL DISTRICT**  
**CITIZENS ADVISORY COMMITTEE**  
**JULY 2, 2018**  
**3:00 P.M.**

- Items on the agenda may be taken out of order.
- The Regional Flood Control District Citizens Advisory Committee may combine two or more agenda items for consideration.
- The Regional Flood Control District Citizens Advisory Committee may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

## **I. Call to Order**

### **1. Comments By the General Public**

This is a period devoted to comments by the general public about items on **this** agenda. If you wish to speak to the Regional Flood Control District Citizens Advisory Committee about items within its jurisdiction but not appearing on this agenda, you must wait until the “Comments By the General Public” period listed at the end of this agenda. Comments will be limited to three minutes. Please step up to the speaker’s podium, clearly state your name and address and please **spell** your last name for the record. If any member of the Regional Flood Control District Citizens Advisory Committee wishes to extend the length of a presentation, this will be done by the Chairman or the Regional Flood Control District Citizens Advisory Committee by majority vote.

2. Action to approve the agenda with deletion of any items (*For possible action*)
3. Action to approve the minutes of the June 4, 2018 meeting (*For possible action*)

## **II. Administration**

4. Action to accept the financial reports (*For possible action*)
5. Action to adopt amendments to the Ten Year Construction Program (*For possible action*)

6. Receive the quarterly project status reports – reporting period February 2018 through April 2018

### **III. Design and Construction**

7. Action to approve the first supplemental interlocal contract for design to increase funding for Town Wash – Mesa Boulevard, El Dorado to Town Wash – City of Mesquite (*For possible action*)
8. Receive a presentation and approve the interlocal contract for construction for Local Drainage Improvements for Luning Drive Storm Drain – City of Las Vegas (*For possible action*)

9. **Comments By the General Public**

A period devoted to comments by the general public about matters relevant to the Regional Flood Control District Citizens Advisory Committee jurisdiction will be held. No vote may be taken on a matter not listed on the posted agenda. Comments will be limited to three minutes. Please step up to the speaker's podium, clearly state your name and address and please **spell** your last name for the record. If any member of the Regional Flood Control District Citizens Advisory Committee wishes to extend the length of a presentation, this will be done by the Chairman or the Regional Flood Control District Citizens Advisory Committee by majority vote. All comments by speakers should be relevant to the Regional Flood Control District Citizens Advisory Committee action and jurisdiction.

**MINUTES**  
**CLARK COUNTY REGIONAL FLOOD CONTROL DISTRICT**  
**CITIZENS ADVISORY COMMITTEE**  
**JUNE 4, 2018**  
**3:00 P.M.**

---

*These minutes are prepared in compliance with NRS 241.035. Text is in summarized rather than verbatim format. For complete contents, please refer to meeting tapes on file at the Regional Flood Control District offices.*

**MEETING NOTICES:** Public Notices of this meeting were properly posted by Alice Young of the Regional Flood Control District in the following locations: Boulder City City Hall, Clark County Government Center, Henderson City Hall, Las Vegas City Hall, Mesquite City Hall, North Las Vegas City Hall, Clark County Regional Flood Control District Offices, Clark County Regional Flood Control District Website ([www.regionalflood.org](http://www.regionalflood.org)), and the State of Nevada Public Notice Website (<https://notice.nv.gov/>)

**CALL TO ORDER:** Mr. Ronald Newell, Vice-Chairman, Clark County, called the meeting to order at 3:01 p.m., in Room 268/296, 600 South Grand Central Parkway, with the following members present:

**MEMBERS PRESENT:** Ronald Newell, Vice-Chairman, Clark County  
Larry Schultz, Clark County  
Jennifer L. Taylor, Esq., Clark County  
Shawn Meagher, City of North Las Vegas  
Bill Starmer, City of Las Vegas  
Kyle Stephens, City of Las Vegas  
Jason Gross, City of Boulder City  
Norman Ashford, City of Mesquite

**MEMBERS EXCUSED:** Larry Nelson, Chairman, City of Henderson  
Harshal Desai, City of Henderson  
Michael Kelly, City of North Las Vegas  
Shawn Fleming, City of Boulder City

**STAFF:** Steven C. Parrish, General Manager/Chief Engineer  
Andrew Trelease, Assistant General Manager  
Christopher Figgins, Chief Deputy District Attorney  
Todd Myers, Engineering Director  
Erin Neff, Public Information Manager  
Brian Rowley, Principal Civil Engineer  
Debra Yamachika, Associate Engineer  
Edward Demars, Associate Engineer  
Jessica Butte, Management Analyst II

Chris Russo, Management Analyst II  
Dorothy Davis, Senior Office Specialist  
Alice Young, Senior Office Specialist

**INTERESTED PARTIES:** Brandon G. Doty, P.E., Project Manager, Advantage Civil Design Group, LLP

### Call to Order

**Mr. Ronald Newell, Vice-Chairman, called the Citizens Advisory Committee meeting to order at 3:01 p.m. in Room 268/296 of the RFCD/RTC Administration Building.**

**1. Comments By the General Public**

Mr. Parrish introduced and welcomed Mr. Kyle Stephens who is representing the Las Vegas City Council as the newest Citizens Advisory Committee member.

There was no further response to the call for Comments By the General Public.

**2. Action to approve the agenda with deletion of any items (*For possible action*)**

**Upon a motion by Mr. Starmer, the agenda was approved.**

**8 AYES – 0 NAYS  
Motion Carried**

**3. Action to approve the minutes of the April 30, 2018 meeting (*For possible action*)**

**Upon a motion by Mr. Starmer, the minutes of April 30, 2018 meeting were approved.**

**8 AYES – 0 NAYS  
Motion Carried**

### **I. Administration**

**4. Action to accept the financial reports (*For possible action*)**

Mr. Parrish stated that the report was in the agenda backup and an updated Sales Tax Report handout has been distributed to each committee member. For the month

of March, we received \$9,541,162.04 which is approximately \$422,000.00 over what was estimated.

Staff recommends acceptance of the financial reports.

**Mr. Schultz moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

5. Action to adopt amendments to the Ten Year Construction Program (*For possible action*)

Mr. Parrish stated these are amendments to the Ten Year Construction Program with fiscal impacts that will occur later in the agenda.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

6. Action to accept the final accounting report and closeout the interlocal contract for the following project (*For possible action*):

- Ann Road Channel East, ULVW to Fifth Street (design) – NLV01G11

Mr. Parrish stated this closeout will return \$102,585.02.

Staff recommends approval.

**Mr. Gross moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

7. Receive the Third Quarter Maintenance Work Program Status Reports for FY 2017-18 as submitted by the entities

Mr. Parrish stated \$4,164,074.71 or about 38 percent of the \$12,426,050.00 budget had been spent through the third quarter. He also indicated Clark County has a \$5.5 million budget listed for fiscal year 2018 however, the Board approved an agenda item to reduce their budget by \$2 million leaving a balance of \$3.5 million, which will be reflected on the next quarterly report. The project originally identified for these funds will not be completed until next fiscal year. Additionally, the City of Henderson received Board approval for a \$316,000.00 increase to their budget to \$2.1 million.

**No Action Required.**

8. Action to approve the budgets, plans and interlocal contracts for the Fiscal Year 2018-19 Maintenance Work Program (*For possible action*)

Mr. Parrish stated this item reflects the Fiscal Year 2018-19 budget requests totaling \$14,317,000.00, which is a 15.2 percent increase over the original budget for Fiscal Year 2017-18. The \$2 million previously reduced from the prior year's budget for Clark County is also included in the \$6.9 million budget request. This increase will cover the Sloan Channel repairs, in addition to other projects Clark County is anticipating.

Mr. Meagher asked if we were encumbering the \$14.3 million. Mr. Parrish stated in a sense District will be encumbering the funds necessary for the interlocal contracts, but transferring funds to a maintenance fund as Sales Tax Revenue is received. There are remaining funds for the maintenance work program, so all encumbered funds will not need to be transferred. Mr. Meagher asked why we are budgeting so much if last year only \$4.1 million has been spent. Mr. Parrish stated this amount was only through the third quarter. Mr. Figgins elaborated and indicated these interlocal contracts are the actual legal encumbrance required. Mr. Meagher continued to question why is there is a fifteen (15) percent increase when not all the maintenance is being done. Mr. Parrish specified that in addition to annual maintenance being done on a day to day basis, additional funds may be needed for storm event clean ups, that cannot be predicted. Mr. Parrish stated that the \$4.1 million is only through the third quarter, but there are sufficient funds to last through the end of the year. As previously stated, Clark County has added \$2 million to this budget for a project that was not completed and some of the funds will be used for that project. Mr. Meagher questioned why that was not reflected in the report. Mr. Parrish advised the Board had already approved the report last

month but these reports are reflective only through the third quarter. The closer we get to the end of the year, entities have the ability to utilize those funds. Mr. Meagher asked if at the end of the year, we budget \$12 million and only spend \$6 million, the other \$5 million would continue to be encumbered. Mr. Parrish stated not necessarily. The contracts will be closed and the remaining funds will be utilized next year. Ms. Jessica Butte, Management Analyst II, RFCD, elaborated that each year we spend about \$9 to \$11 million for the Maintenance Work Program. The majority of the invoices are received in the last quarter.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**

**Motion Carried**

9. Action to approve the second amendment to the agreement with Briscoe Ivester & Bazel LLP to provide legal consulting services regarding the National Pollutant Discharge Elimination System (*For possible action*)

Mr. Parrish stated that this is a law firm in which the District has a contract. They helped with the audit provided by the National Division of Environmental Protection (NDEP) on a clean water permit. The audit has been completed, and negotiations will begin for a new permit. District is asking that this firm be retained to assist with further negotiations for that purpose.

Mr. Schultz asked if the firm was being held solely to assist with the audit. Mr. Parrish replied that was correct.

Ms. Taylor inquired about the location of the firm. Mr. Parrish replied that they are based out of California. Ms. Taylor also asked if there was a local office in Nevada. Mr. Parrish stated no, however, their firm provides billing as though they were a local office. There are no travel costs associated with the billing. Mr. Parrish advised that the organization has used this firm for over twenty (20) years and they are experts in their capacity. They have a historic knowledge on this particular permit. Ms. Taylor stated she was concerned that there were firms within the state that would hire people that were at the same level of expertise. Mr. Figgins elaborated that the City of Las Vegas and NV Energy uses this firm, and their fees are cheaper than various local firms. Ms. Taylor asked if they were being paid hourly. Mr. Figgins replied yes, but not to exceed a certain amount. Mr. Trelease stated it is a contract being increased to \$160,000.00. Mr. Parrish stated the current

contact is for \$100,000.00, the additional \$60,000.00 is in anticipation of permit negotiations. Mr. Parrish also stated that the organization would like to hire a local firm, but Briscoe Ivester & Bazel LLP is very familiar with this particular permit. They have knowledge dating back many years on this permit. There are local firms that have that same level of expertise, but not on our particular permit. Ms. Taylor suggested that in the future, she is hoping the District would review Nevada law firms as opposed to those out of state.

Mr. Meagher asked if we had a consultant to write most of the requirements for the permits. He also wanted to know how Briscoe Ivester & Bazel relate to the HDR contract. Mr. Parrish replied that there are two different aspects to the permitting process; the mechanics (which is HDR) and the legal side. There are many ramifications and permit requirements to the attorney side. They complement each other. Mr. Trelease stated we bring the attorneys for permits and/or technical reports. The attorneys will let us know where to push back and how to negotiate. They are definitely both needed for this negotiation. Mr. Parrish stated this is an important issue involving the Clean Water Act and the Environmental Protection Agency (EPA). The entities must be very careful, even one wrong word could make a permit costly in the end; therefore, District must be very careful as well, with what is agreed to.

Mr. Schultz asked about the current permit time span, whether it has lapsed or is it continuing during an interim period. Mr. Parrish stated that the permit had expired, but it was administratively extended by the State of Nevada. Mr. Schultz asked about the objective for fiscal year 2019 to have this permit issued. Mr. Parrish stated that the permit will be for five (5) years once it is reissued. The State of Nevada was working on a permit for the Nevada Department of Transportation (NDOT) first, then continuing with the District permit.

Staff recommends approval.

**Mr. Schultz moved to follow staff recommendation.**

**8 AYES – 0 NAYS  
Motion Carried**

10. Action to approve the professional services agreement with HDR Engineering Inc., for the National Pollutant Discharge Elimination System Permit Compliance for the Las Vegas Valley (*For possible action*)

Mr. Parrish stated this is a contract with HDR Engineering for \$422,984.00 to ensure District stays in compliance with the NPDES Permit.

Ms. Taylor questioned whether HDR was part of this institutional knowledge. Mr. Parrish stated yes, MWH had been used for a number of years. A Request for Proposal (RFP) was issued to allow MWH or a new firm to be chosen. HDR won the bid. There is staff that worked for MWH that now works for HDR, which means institutional knowledge just shifted from one company to another.

Mr. Schultz asked if HDR was local. Mr. Parrish answered they are a nationwide firm but also have a local office. Mr. Schulz also inquired about the performance management measures. Mr. Trelease stated the requirements are in the permit. The permit requires an annual report, and testing of the storm water in the lab. Each time it rains, samples are taken and results recorded. District must analyze at least three (3) storms a year, collect and analyze data. All the requirements are in a Stormwater Management Plan (SWAMP), which describes the entire program. Mr. John Tennert, Environmental Mitigation Manager, Regional Flood Control District, is also very involved with this program.

Staff recommends approval.

**Mr. Gross moved to follow staff recommendation.**

**8 AYES – 0 NAYS  
Motion Carried**

11. Action to adopt the amendments to the Operations and Maintenance Manual – 2018 Update or take action as deemed appropriate (*For possible action*)

Mr. Parrish stated that this item is adding a homeless encampment cleanup activity to the Operations and Maintenance manual so the entities will be able to keep track of the amount of money being spent on that one activity. Mr. Parrish stated the reason for the addition is to keep track of how much maintenance money is being spent on cleanup of the homeless encampments in flood control facilities. A few years ago, an entity requested a change be implemented in the way the report was submitted regarding the funds being spent on cleanup. After the issue arose again, the District realized how important it was to keep a record of the money being spent.

Mr. Schultz asked if this were just a customer service to the entities, and that the District is not trying to drive public policy. Mr. Parrish stated that was correct, however, there may be requests from City Council or the Board of Commissioners

for a report on how much money is being spent on the cleanup in an effort to support other items, which is good information. It would be important to know how much is being spent on resources keeping the homeless out of the channels and the cleanup thereof.

Mr. Meagher commented about this being a possible resolution to the problem. Mr. Parrish stated that this is not an intent to solve the problem but to keep track of how much it costs to deal with the problem. Multiple agencies are required to solve this problem. Mr. Meagher asked about fencing to keep the homeless out. Mr. Parrish stated fences were added and upgraded in an attempt to discourage the homeless; however, the homeless are very resourceful and find a way back in. District has not put grates on culverts, because if you keep the people out, this will keep the water out as well. This defeats the purpose of the flood control facility. Mr. Meagher wanted to know if this were a collaboration of all the entities or if everyone was doing something individually. Mr. Parrish stated everyone was acting individually. He also stated the encampments were in channels and storm drains. Mr. Parrish advised that at the National Association of Flood and Stormwater Management Agencies annual meeting (NAFSMA) in July, a session on homeless encampments is being held with other entities, particularly in Southern California, to resolve this issue. San Antonio has a good program to reduce the number of homeless, which is a model for other cities. The focus for now is on the cost for cleanup so that the numbers can be presented to anyone who may have an inquiry.

Mr. Gross wanted to know where the District obtains information on homeless encampments and whose responsibility it is regarding the homeless. Once the information is received, which agency goes in first: the Las Vegas Metropolitan Police Department (LVMPD), Las Vegas Fire and Rescue, District, etc. Mr. Parrish stated the majority of the received information comes from the public who calls either Public Works or the police and notifies them someone is living in the channel. When they respond, Public Works personnel are not allowed to interact with the people living in the channel. Usually, they will contact Help of Southern Nevada or a homeless advocate group who will contact Metro police for protection. Metro is the only agency that can enforce any laws; for example: trespassing. Metro, Public Works, and the homeless advocate go together to interact with the homeless to offer services to them. Statistics state that seven (7) out of ten (10) homeless persons do not want services. Three (3) out of ten (10) will accept services. This is a six (6) week cycle, where Public Works will do a cleanup and go back in six (6) weeks to repeat the cleanup. Mr. Trelease elaborated that they do not need to be notified, that Public Works will return in six (6) weeks. There is a team dedicated simply for this purpose. Mr. Parrish stated this was definitely a life safety issue.

Seven (7) out of eight (8) of the flood fatalities were homeless people. With this, there is another issue of debris and functionality. All of their belongings that are washed up during a storm event cause clogging to the channel and storm drain.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

12. Action to adopt project prioritization, Ten-Year Construction Program and Fiscal Year 2018-19 project list or take any action deemed appropriate (*For possible action*)

Mr. Todd Myers, Engineering Director, Regional Flood Control District made a presentation.

Mr. Schultz complimented Mr. Myers on his presentation, the Memorandum dated March 21, 2018, and the use of graphics. Mr. Schultz also wanted to know if the charts and graphs were available to have. Mr. Myers stated yes, there is a Ten-Year Construction Plan document available online. Mr. Parrish stated a link would be sent to him.

Ms. Taylor also complimented the District on a wonderful job and expressed appreciation in all of the work the District does. Colleagues across the country should recognize the wonderful work the District does for the comprehensive planning of this city. She also wanted to know how the District accounts for anticipated new construction in the Ten-Year plan. Mr. Myers stated if you are looking at the Ten-Year Construction plan, unless there are facilities on the Master Plan that are programmed to receive funding, it does not affect the District Ten-Year plan. District does keep up with the Land Development projects that are coming out. However, we work with each entity to prepare the Ten-Year plan document. Each entity prepares an independent plan they submit to the District and staff compiles them to create the Ten-Year Construction Plan. As for the Skye Canyon area, that is an extensive Master Plan system. A lot of that is being built by the developer and a portion of that system is being constructed by the District. The Moccasin project in the upper northern watershed facility will receive the water coming from the facility that Skye Canyon is building. But, planning is done based on land use (known at the time). Mr. Parrish elaborated saying this was part of the Master Plan effort when you look at future development as to how things are zoned.

If land is going to be developed in the future, it is assumed it will be in our hydrology for the Master Plan, and facilities will not be undersized because something is built upstream. Mr. Parrish stated if a land developer is coming in and they know a regional facility is there, they could approach the county or cities and enter into an agreement with them to obtain a portion of the funding in advance for that project. Many times developers come in where a project is not yet programmed. The developer is then responsible for whatever they need to protect their site. For example, this site, Skye Canyon was part of the Ten-Year Construction Plan. The County provided some funding to the developer who is designing this project and managing construction. There will be funding from Clark County through the District. Ms. Taylor asked about the design of projects; whether or not the District has the final stamp in the decision making process. Mr. Parrish stated absolutely.

Mr. Meagher wanted to know why the District was funding a project on the Northern Beltway instead of Clark County. Mr. Myers stated within the Northern Beltway, some of the facilities are for the infield areas in their design. This was a project that they could not get all those facilities in. There is nothing that states the Beltway has to build our regional facilities. Mr. Parrish stated they are funding and building all that needs to be built to protect the Beltway. It is collecting flows and diverting them down to Pecos, and instead conveyance facilities were placed under the Beltway to take the flow under, thus, protecting the Beltway in the interim. Mr. Trelease stated they could not really do this, due to lack of drainage ability, so the basin had to be built first.

Mr. Gross asked a question regarding a Mesquite project that seems to be going beyond the Arizona Stateline. Mr. Myers said that was correct. Mr. Gross asked if we were funding the Arizona portion of the project. Mr. Myers stated that the facility offers protection to Mesquite. District is funding the entire facility. Mr. Gross inquired whether anything is being funded or protected in Arizona. Mr. Myers stated that originally the master plan showed the entire project within Nevada. The challenge will be coordinating the project with the State of Arizona.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

**III. Design and Construction**

13. Action to approve the supplemental interlocal contracts for design to extend the project completion date for the following projects (*For possible action*):
- a. Second Supplemental: Duck Creek at Dean Martin – Clark County
  - b. First Supplemental: Duck Creek at Las Vegas Boulevard – Clark County
  - c. Thirteenth Supplemental: Flamingo Wash, McLeod Drive to Maryland Parkway – Clark County
  - d. Fourth Supplemental : SR 163 at Casino Drive – Clark County
  - e. Third Supplemental: Las Vegas Wash – “N” Channel, Cheyenne to Gowan – City of North Las Vegas
  - f. First Supplemental: Hollywood System, Centennial Parkway to Speedway #2 Detention Basin – City of North Las Vegas
  - g. First Supplemental: Gowan Outfall, Alexander Road – Decatur Boulevard to Simmons Street – City of North Las Vegas
  - h. Fifth Supplemental: Vandenberg North Detention Basin and Outfall – City of North Las Vegas
  - i. Fourth Supplemental: Central Freeway Channel at Cheyenne – City of North Las Vegas

Mr. Parrish stated these interlocal contracts are extensions of time and briefly explained a synopsis of each project.

Mr. Schultz asked if the District maintains a percentage of completion data to be shown in the agenda. Mr. Parrish stated that information is noted quarterly in the agenda as a project status report. This is an eighty (80) page report with information on open interlocals, consultants, the percentage complete, money spent, and the completion date.

Staff recommends approval of items 13a through 13i.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS  
Motion Carried**

14. Action to approve the supplemental interlocal contracts for design to extend the project completion date and change the scope for the following projects: ***(For possible action)***

- a. First Supplemental: Range Wash – Ann Branch – City of North Las Vegas

Mr. Parrish stated that this supplemental interlocal is under design. The problem is a short reach in the facility located in the Tropical Parkway area that was included as one ID mile all the way to Mount Hood Street. This project is being separated out to allow funding from Regional Transportation Commission (RTC). They are doing a project along Tropical Parkway and are including this storm drain in the project. To correct funding, the project needs to be divided into two ID miles.

- b. First Supplemental: Fifth Street Collector, Centennial Parkway to Deer Springs Way – City of North Las Vegas

Mr. Parrish stated an ID mile was added because the developer never built a storm drain and it needs to be included as part of the project. ID mile 0050 was added and an extension of time is being requested.

Staff recommends approval of items 14a and 14b.

**Mr. Gross moved to follow staff recommendation.**

**8 AYES – 0 NAYS**

**Motion Carried**

15. Action to approve the supplemental interlocal contracts for construction and design to increase funding and extend the project completion date for the following projects ***(For possible action)***:

- a. Fifth Supplemental: Las Vegas Wash – Sloan Channel to Stewart Avenue and Flamingo Wash below Nellis Boulevard – Clark County

Mr. Parrish stated this project has a fiscal impact of \$800,000.00. Construction is complete, but due to ongoing litigation, these funds will be used to pay for outside counsel to defend the District and Clark County.

- b. Second Supplemental: Beltway Detention Basin and Channel – City of North Las Vegas

Mr. Parrish stated this is a supplemental with a fiscal impact of \$300,000.00. Additional funds are being requested to purchase the right-of-way.

Mr. Meagher inquired of the responsibility the District has when an agency encounters litigation and/or legal fees. Mr. Parrish stated it was dependent upon the reason for the lawsuit. Due to an error or omission on the part of the entity, District may not provide any funding. In this case, the contractor had some flood damage during construction and felt they should be paid for the damages. District disagreed and felt this was affecting not only this project but also, future projects.

Mr. Meagher asked about the \$800,000.00 coming from Clark County. Mr. Parrish stated the funds covered pre-discoveries. Mr. Figgins elaborated saying there have been mediations with the Clark County Board of Commissioners and District Board of Directors to discuss the issue.

Ms. Taylor ask if there was an indemnity provision in place. Mr. Figgins stated this case is in litigation. The contractor is seeking a large sum of money. Ms. Taylor inquired as to whom they were suing. Mr. Figgins advised they were suing Clark County. Ms. Taylor also inquired if the District was named in the lawsuit. Mr. Figgins explained the District is the funding agency, but he is a participant in the case for Clark County.

Ms. Taylor asked if the District or Clark County were paying the fees. Mr. Parrish stated that if there are damages, it will need to be decided as to who will pay the charges.

Staff recommends approval of items 15a and 15b.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

16. Action to approve the second supplemental interlocal contract for design to increase funding, extend the project completion date and change the scope for Airport Channel – Naples – Clark County (*For possible action*)

Mr. Parrish stated this is a supplemental with a fiscal impact of \$550,000.00 to pay for a peaking basin. The project was delayed due to coordinating with the Federal

Aviation Administration (FAA) for determining whether a peaking basin can occur within the Runway Protection Zone of Clark County Department of Aviation property.

Staff recommends approval.

**Mr. Starmer moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

17. Action to approve the interlocal contract for design for Owens Detention Basin & Outfall – Clark County (*For possible action*)

Mr. Parrish stated this is a new design interlocal contract for a detention basin on Sunrise Mountain at the east end of Owens Avenue.

Staff recommends approval.

**Mr. Schultz moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

18. Action to approve the first supplemental interlocal contract for design to increase funding for Gowan North – El Capitan Branch, Ann Road to Centennial Parkway – City of Las Vegas (*For possible action*)

Mr. Parrish stated this is a supplemental with a fiscal impact of \$300,000.00. The additional funding is necessary to cover the negotiated cost for the design consultant and to pay for the City of Las Vegas' internal labor.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

19. Action to approve the supplemental interlocal contracts for construction and design to decrease funding and extend the project completion date for the following projects (*For possible action*):

- a. Ninth Supplemental: Brooks Channel – City of North Las Vegas

Mr. Parrish stated this is a design interlocal supplement to reduce funding and extend the contract date. The returned funding has a fiscal impact of \$82,000.00. Pending a Letter of Map Revision (LOMR) to be submitted through Federal Emergency Management Association (FEMA), the contract will remain open. While the LOMR is in process, the excess funds are being returned.

- b. Fourth Supplemental: Brooks Channel – City of North Las Vegas

Mr. Parrish stated this is the construction interlocal for the same project: Brooks Channel. The contract is being kept open until completed. The funds are being reduced so as not to tie up this contract pending the issuance of a LOMR. The constructions funds are being reduced to \$1,025,000.00.

Staff recommends approval of items 19a and 19b.

**Mr. Schultz moved to follow staff recommendation.**

**8 AYES – 0 NAYS  
Motion Carried**

20. North Railroad Conveyance, Phase II – City of Boulder City (*For possible action*)

- a. Action to accept the project presentation

Mr. Brandon G. Doty, P.E., Project Manager, Advantage Civil Design Group, LLP, made a presentation.

Staff recommends accepting the project presentation.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS  
Motion Carried**

- b. Action to approve the interlocal contract for construction and approve a waiver of the design engineering cap

This is an interlocal contract for construction and construction management in the amount of \$2,843,962.00. There are sufficient funds for this project.

Mr. Gross asked if there is a waiver on the cap for design. Mr. Parrish stated it is the design-engineering cap. District takes the dollar amount for the design interlocal, adds the dollar amount for construction management and divides by the total construction amount (17 percent or less) to reach 18.27 percent. Mr. Parrish continued, to be eligible for funding, the project must have ninety (90) percent of the plans complete. The project will complete at one hundred (100) percent before advertising.

Staff recommends approval.

**Mr. Gross moved to follow staff recommendation.**

**8 AYES – 0 NAYS**

**Motion Carried**

#### **IV. Other Items**

- 21. Action to approve a Proclamation that July 2018 be proclaimed “Flash Flood Awareness Month” and that all residents and visitors be urged to make themselves aware of the dangers of flash flooding in order to take the necessary precautions in preventing the loss of property (*For possible action*)

Mr. Parrish stated the flash flood season is approaching in the months of July, August and September. Proclaiming July as Flash Flood Awareness Month will help heighten awareness of the potential for flash flooding in advance of flash flood season.

The Districts’ Flash Flood Awareness public information effort is a year-round program. Every year, the Board of Directors issues a Proclamation naming the month of July “Flash Flood Awareness Month”. Mr. Parrish will be attending all City Council and Board of County Commissioners meetings where Proclamations will be released to get the word out to the public to be careful during these three (3) months.

Staff recommends approval of the Proclamation.

**Mr. Starmer moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

22. Action to approve the optional one year extend to the Interlocal Agreement with KCLV-Channel 2 for the term of July 1, 2018 through June 30, 2019 and authorize the funding in the amount of \$89,900.00 for videotaping and editing of six Flood Channel television shows (*For possible action*)

Mr. Parrish stated this is an interlocal contract between the District and KCLV to provide production of Districts six (6) flood channel shows. Funds have been budgeted.

Mr. Schultz asked about viewing the flood channel shows and the promotion of them. Mr. Parrish stated that they can be watched on Channel Four (4). Ms. Erin Neff, Public Information Manager, Regional Flood Control District, stated the clips may also be viewed on YouTube. Mr. Schultz also inquired about the duration of the clips. Mr. Parrish stated they were thirty (30) minutes long with commercials. Ms. Neff stated these shows are heavily promoted by staff through social media. The City of Las Vegas promotes via their public relations infrastructure, their internet station and television channel. Clark County promotes through Channel Four (4). The shows air several times a week. The bulk of viewers are through social media. Mr. Parrish stated it was a good show in which District has control of the content. Projects are highlighted and there are discussions about what the District is doing.

Staff recommends approval.

**Ms. Taylor moved to follow staff recommendation.**

**8 AYES – 0 NAYS**  
**Motion Carried**

23. **Comments By the General Public**

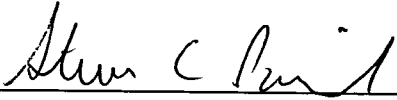

Mr. Parrish advised the Citizens Advisory Committee that photographs will be taken at the next meeting on July 30, 2018.

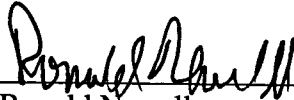

There was no further response to call for Comments By the General Public.

**ADJOURNMENT**

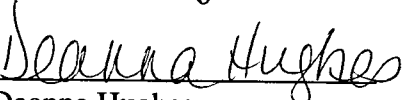

The meeting adjourned at 4:34 p.m.

Respectfully submitted,

AGENDA ITEM

<b>SUBJECT:</b>
TEN YEAR CONSTRUCTION PROGRAM AMENDMENTS
<b>PETITIONER:</b>
STEVEN C. PARRISH, P.E., GENERAL MANAGER/CHIEF ENGINEER
<b>RECOMMENDATION OF PETITIONER:</b>
ADOPT AMENDMENTS TO THE TEN YEAR CONSTRUCTION PROGRAM (FOR POSSIBLE ACTION)

**FISCAL IMPACT:** None.

**BACKGROUND:** In accordance with Policies and Procedures Section II.B.9 general amendments can be processed to address scheduling changes and/or the need for additional funding. This agenda item addresses requested changes in funding, positive and negative, associated with this agenda as they impact the Ten Year Construction Program (TYCP). Amendments to the TYCP are shown for:

Project Description	Project Number	Item No. / Action	Current TYCP Amount	Requested Amendment Amount
Town Wash – Mesa Boulevard, El Dorado to Town Wash	MES01E17	Item #07 1 <sup>st</sup> Supplemental	\$ 0.00	\$ 50,000.00

Respectfully submitted,

Steven C. Parrish, P.E.  
General Manager/Chief Engineer

CLARK COUNTY  
REGIONAL FLOOD CONTROL DISTRICT  
AGENDA ITEM

<b>SUBJECT:</b>  QUARTERLY PROJECT STATUS REPORTS REPORTING PERIOD: FEBRUARY 2018 THROUGH APRIL 2018
<b>PETITIONER:</b>  STEVEN C. PARRISH, P.E., GENERAL MANAGER/CHIEF ENGINEER
<b>RECOMMENDATION OF PETITIONER:</b>  RECEIVE THE REPORTS (FOR POSSIBLE ACTION)

**FISCAL IMPACT:** None.

**BACKGROUND:**

The following Project Status Reports for the period of February 2018 through April 2018 are submitted for your review:

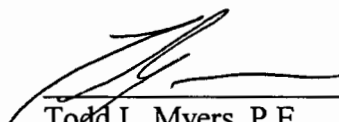

CURRENT PROJECTS (PROJECT LIST AND BOND PROJECTS)

REGIONAL FLOOD CONTROL DISTRICT

PROJECT STATUS REPORT

<b>Entity</b>	City of Boulder City			<b>Date Prepared</b>	05/21/2018
<b>Project Title:</b> Hemenway System, Phase II Improvements				<b>Review Period From</b>	02/01/2018
				<b>Review Period To</b>	04/30/2018
<b>Contract Numbers</b>	<b>Design</b>	BOU01C10			
	<b>Construction</b>	BOU01D17			
<b>Total ILA Amount (Design and Construction All Phases)</b>				\$3,240,000	

<b>DESIGN</b>			<b>Contract Number</b>		BOU01C10	
<b>Description:</b> Phase IIA – Project includes a 10’ grate inlet extension to increase capacity at Lake Mountain Drive, install maintenance access road and increase sediment basin capacity, replace the existing levee near Lake View Drive, design of a sediment basin, concrete line unlined channel near Katzenbach Drive, replace existing CMPs at Katzenbach Drive with an 8’x4’ RCB and at Lakeview Drive with a 12’x4’ RCB. Phase IIB – Project includes increase the sediment basin capacity by 0.8 ac-ft west of Lake Mountain Drive, increasing the free board in the Hemenway Channel west of Lake Mountain Drive and east of Pacifica Way and a new energy dissipator and concrete channel lining near Fire Agate and US93.						
<b>Date of Original ILA</b>			02/11/2010		<b>Design ILA Amount</b>	
<b>Date of Most Recent Supplement to ILA</b>			01/12/2017			
<b>Contract Manager:</b> Jim Keane, P.E. <b>Phone Number:</b> 702-293-9200		<b>Entity:</b> City of Boulder City		<b>Consultant:</b> Advantage Civil Design Group LLP		
	<b>Pre-design</b>	<b>Design</b>	<b>Environmental</b>	<b>Right-of-Way</b>	<b>LOMR</b>	<b>Other</b>
<b>ILA Amount</b>	\$0	\$730,000	\$15,000	\$0	\$0	\$0
<b>Percent Complete</b>	0%	100%	100%	0%	0%	0%
<b>Scheduled Completion</b>		09/29/2017	05/01/2016			
<b>Delay or Problem Areas/Resolution:</b>						
<b>Work Completed During Current Quarter:</b> Bids for Phase IIA were opened on March 29, 2018. Target Construction is the low bidder. Consultant is working on Phase IIB plan comments & progressing to 90% level. Consultant working on a MPA for review to reclassify HMWA 0173 from a sediment basin to an open concrete channel and to add a new sediment basin to replace HMWA 0173.						
<b>Work to be Completed During Next Quarter:</b> Begin construction on Phase IIA improvements. Consultant to submit Phase IIB 90% plans for review. Consultant to submit and staff to review the MPA submittal and schedule for the TAC/CAC and Board.

**ENTITY:** REGIONAL FLOOD CONTROL DISTRICT

**DATE PREPARED** May 7, 2018

**REVIEW PERIOD FROM:** Feb. 1, 2018 TO April. 30, 2018

**PROJECT:** 2018 Flood Safety Advertising Campaign

**DESCRIPTION:** Implement a flood safety awareness program to inform the public about the dangers of flash flooding.

**PERCENT COMPLETE:** 15%

**ESTIMATED COST OF PROJECT:** \$915,000 (consultant)

**SCHEDULE FOR COMPLETION:** The term of the consultant contract is a one year period from February 2018.

**CONSULTANT/PROJECT MANAGER:** RP/Reece Markman

**DELAYS OR PROBLEM AREAS:**

- There are no delays or problems at this time.

**WORK COMPLETED DURING CURRENT PERIOD:**

- Contract awarded at February Board meeting
- Began work to transition RFP to Flash Flood Safety Campaign
- Established scope of work
- Status meetings began in March
- Development of creative
- Began exploration of augmented reality project
- Finalized billboard locations; schedule for media buys
- Invoices

**WORK TO BE COMPLETED NEXT PERIOD:**

- Continue work on creative development
- Begin scheduling buys
- Finalize all creative (by June)
- Advertising Campaign begins
- Monitor metrics and opportunities for weather-triggered advertising
- Final invoices

**PROJECT MANAGER:** Erin Neff

**PHONE #:** 685-0000

**Project Status Report**  
**Feb. 2018**

Public Information Coordinator Beatriz Martinez made presentations to 33 classes and a total of 814 students at the following schools:

- Wendell Williams ES
- Givens ES
- Jack Dailey ES
- Priest ES
- Coral Academy
- Ferron ES
- Phyllis Frias ES
- Ruby Duncan ES

As of Feb. 28, the Flood District's Facebook page had 828 likes and the District's Twitter page had 2,120 followers.

Staff worked on The Flood Channel Show 108.

Staff also began a project with UNLV students to create a new school video.

## **Project Status Report March 2018**

Public Information Coordinator Beatriz Martinez made presentations to 58 classes and a total of 1388 students at the following schools:

- Lewis Rowe ES
- Cahlan-Edison ES
- Detwiler ES
- Gene Ward ES
- Watson ES
- Goolsby ES
- Beverly Mathis ES
- Stanford ES
- Rundle ES
- Las Vegas Day School
- Whitney ES

As of March 31, the Flood District's Facebook page had 836 likes and the District's Twitter page had 2,160 followers.

The Flood Channel Show 108 began airing and staff conducted interviews for The Flood Channel Show 109.

Bi-weekly status meetings began with Robertson Partners for the Flash Flood Safety Advertising campaign.

Martinez conducted an interview with Univision on flood insurance.

Staff monitored weather during rain events March 15 and 21-22 and posted safety information on social media.

## **Project Status Report April 2018**

Public Information Coordinator Beatriz Martinez made presentations to 61 classes and a total of 1425 students at the following schools:

- Bracken ES
- Treem ES
- Schorr ES
- Rogers ES
- Reedom ES
- Bruner ES
- Ulis Newton ES
- Sandy Miller ES
- Bass ES
- Tarr ES

As of April 30, the Flood District's Facebook page had 833 likes and the District's Twitter page had 2,182 followers.

The Flood Channel Show 109 began airing and staff conducted interviews for The Flood Channel Show 110.

Bi-weekly status meetings continued with Robertson Partners for the Flash Flood Safety Advertising campaign. Creative development continued. Work began on augmented reality project.

Martinez assisted with two presentations to UNLV's Osher Lifelong Learning Institute.

CLARK COUNTY  
REGIONAL FLOOD CONTROL DISTRICT  
AGENDA ITEM

<b>SUBJECT:</b>  TOWN WASH – MESA BOULEVARD, EL DORADO TO TOWN WASH
<b>PETITIONER:</b>  BILL TANNER – PUBLIC WORKS DIRECTOR, CITY OF MESQUITE
<b>RECOMMENDATION OF PETITIONER:</b>  THAT THE CLARK COUNTY REGIONAL FLOOD CONTROL DISTRICT APPROVE THIS FIRST SUPPLEMENTAL INTERLOCAL CONTRACT FOR DESIGN TO INCREASE FUNDING AND EXTEND THE PROJECT COMPLETION DATE FOR TOWN WASH – MESA BOULEVARD, EL DORADO TO TOWN WASH – MES01E17 (FOR POSSIBLE ACTION)

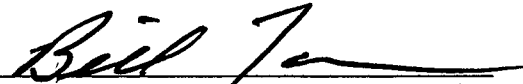

**FISCAL IMPACT:**

	<i>Current Funding</i>	<i>Increase/Decrease</i>	<i>Proposed Funding</i>
<i>Design Engineering</i>	\$340,303.00	\$25,000.00	\$365,303.00
<i>Environmental</i>	\$0.00	\$25,000.00	\$25,000.00
<b><i>Total ILC Value</i></b>	<b>\$340,303.00</b>	<b>\$50,000.00</b>	<b>\$390,303.00</b>

**BACKGROUND:**

On September 14, 2017, the Regional Flood Control District entered into an interlocal contract with City of Mesquite to provide funding for design engineering for the Town Wash – Mesa Boulevard, El Dorado to Town Wash Storm Drain Project. This First Supplemental Interlocal Contract will increase project funding and extend the project completion date from September 30, 2018 to September 30, 2021. The increase will cover costs to finalize design, topography, verify existing utility locations and additional environmental requirements.

Respectfully submitted,

  
 Bill Tanner, Director of Public Works  
 City of Mesquite

AGENDA ITEM DEVELOPMENT

**Staff Discussion:**

Date: 06/18/18

**TOWN WASH – MESA BOULEVARD, EL DORADO TO TOWN WASH  
FIRST SUPPLEMENTAL INTERLOCAL CONTRACT – MES01E17**

The City of Mesquite has submitted a request to approve a first supplemental interlocal contract for design engineering to increase funding in the amount of \$50,000, add a line item for environmental mitigation and extend the project completion date from September 30, 2018 to September 30, 2021 for the Town Wash – Mesa Boulevard, El Dorado to Town Wash project.

The increase in funding is to cover the negotiated cost to finalize design and cover costs for additional topography, verification of existing utility locations and environmental mitigation. District funding will be as follows:

	Current Funding	Increase/Decrease	Proposed Funding
Design Engineering	\$340,303	\$25,000	\$365,303
Environmental Mitigation	\$ 0	\$25,000	\$ 25,000
<b>Total ILC Value</b>	<b>\$340,303</b>	<b>\$50,000</b>	<b>\$390,303</b>

The District Attorney has reviewed the contract.

SUPPLEMENTAL NO. 1 TO THE INTERLOCAL CONTRACT FOR  
TOWN WASH – MESA BOULEVARD, EL DORADO TO TOWN WASH

THIS FIRST SUPPLEMENTAL INTERLOCAL CONTRACT made and entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2018 by and between the Clark County Regional Flood Control District, hereinafter referred to as “DISTRICT”, and City of Mesquite, a political subdivision of the State of Nevada hereinafter referred to as “CITY”.

**WITNESSETH**

**WHEREAS**, pursuant to Chapter 543 of the Nevada Revised Statutes, the DISTRICT may approve a project to design and construct flood control improvements, and;

**WHEREAS**, the flood control improvements proposed herein are the same as those generally identified in the 2017 City of Mesquite Flood Control Master Plan Update as Structure(s) No.(s)TWMB 0000, 0022, 0024, and 0044, and TOWA 0120, hereinafter referred to as “PROJECT”; and

**WHEREAS**, the PROJECT is identified and shown on the attached Exhibit “A”; and

**WHEREAS**, the PROJECT has been approved by the DISTRICT on its annual Ten Year Construction Program; and

**WHEREAS**, the Interlocal Contract dated September 14, 2017 was entered into between the CITY and the DISTRICT; and

**WHEREAS**, the CITY desires to increase project funding, add a line item for environmental and extend the project completion date; and

**WHEREAS**, the PROJECT has regional flood control significance and is located in the same hydrographic area as the Town Wash System.

**NOW, THEREFORE**, in consideration of the covenants, conditions, contracts, and promises of the parties hereto, the DISTRICT and the CITY agree to the following:

**SECTION II – PROJECT COSTS, shall be revised to read as follows:**

1. Design Engineering in an amount not to exceed \$365,303.00.
2. Environmental in an amount not to exceed \$25,000.00.
3. The total cost of this contract shall not exceed \$390,303.00 which includes all the items described in the paragraph above.

4. If at any time during the term of this contract the entity determines that a portion of the funds provided pursuant to this contract, will not be needed for the project, then the entity will notify the District in writing of the amount of funds that are not anticipated to be used for the project. Upon receipt of the said notification the District's obligation to pay the maximum amount set forth herein will automatically be reduced by the amount specified in the notification.
5. A written request must be made to the DISTRICT and approved by the Board to reallocate funds between phases of the project. No other approval by the lead Entity is required.
6. A written request must be made to the DISTRICT and a Supplemental Interlocal Contract approved by the Board to increase the total cost of the contract noted above prior to payment of any additional funds.

**SECTION III – GENERAL, paragraph 14 shall be revised to read as follows:**

14. The items covered in Section II – PROJECT COSTS must be completed to the satisfaction of the DISTRICT prior to September 30, 2021. The DISTRICT may, at any time thereafter, grant extensions or terminate this CONTRACT after thirty (30) days notice.

The remainder of the original Interlocal Contract dated September 14, 2017 shall remain unchanged.

CLARK COUNTY  
REGIONAL FLOOD CONTROL DISTRICT  
AGENDA ITEM

<b>SUBJECT:</b> LOCAL DRAINAGE IMPROVEMENTS – LUNING DRIVE STORM DRAIN
<b>PETITIONER:</b> MIKE JANSSEN, DIRECTOR CITY OF LAS VEGAS PUBLIC WORKS
<b>RECOMMENDATION OF PETITIONER:</b> IT IS RECOMMENDED THAT THE CLARK COUNTY REGIONAL FLOOD CONTROL DISTRICT RECEIVE A PRESENTATION AND APPROVE THIS INTERLOCAL CONTRACT FOR CONSTRUCTION OF THE LOCAL DRAINAGE IMPROVEMENTS – LUNING DRIVE STORM DRAIN – LLD19A18 (FOR POSSIBLE ACTION)

**FISCAL IMPACT:**

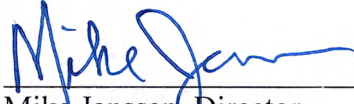

Entity	\$ 275,918
CCRFC	<u>\$ 1,201,965</u>
Total	\$ 1,477,883

**BACKGROUND:**

The Luning Drive Storm Drain improvements is a local drainage project that was submitted to the District for consideration on April 15, 2018. The project complies with the District’s policies for Local Drainage projects and has staff approval for funding. The project is located within the Central Watershed of the CCRFC Master plan and is within a portion of the Owens Avenue Conveyance System drainage area. The project is located in Luning Drive between Holly Avenue and Vegas Drive. This proposed local drainage participation project will construct a 48-inch Reinforced Concrete Pipe (RCP) storm drain system that will help reduce flooding, eliminate the flood damage to homes and reduce other maintenance issues that result from storm events in this neighborhood. The proposed facilities will connect into the existing regional drainage facility in Vegas Drive (LVOW 0146).

Matching funds have been approved by the City in the FY 2018/2019 Budget. A project presentation will be given by a representative from the City.

Respectfully submitted,

  
 \_\_\_\_\_  
 Mike Janssen, Director  
 Department of Public Works

**LOCAL DRAINAGE IMPROVEMENTS – LUNING DRIVE STORM DRAIN  
INTERLOCAL CONTRACT – LLD19A18**

The City of Las Vegas has requested an interlocal contract to participate in funding of a local drainage project in accordance with District Policies and Procedures in Section VI, Paragraph E. On April 15, 2018, the City of Las Vegas submitted a proposal for local drainage participation. The proposal demonstrated compliance with the requirements under the policy. The District's share of funding for this project is \$1,201,965.

A project presentation will be given by a representative from the City. The District's 2018-2019 fiscal year budget includes an appropriation for this contract. The District Attorney has reviewed the contract.

**Staff Recommendation:**

Approve.

**Discussion by Technical Advisory Committee:**

AGENDA  
#08 Date: 06/28/18

**Recommendation:**

**Discussion by Citizens Advisory Committee:**

AGENDA  
#08 Date: 07/02/18

**Recommendation:**

**INTERLOCAL CONTRACT  
LOCAL DRAINAGE IMPROVEMENTS –  
LUNING DRIVE STORM DRAIN**

**THIS INTERLOCAL CONTRACT** made and entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2018 by and between the Clark County Regional Flood Control District, hereinafter referred to as “DISTRICT”, and the City of Las Vegas hereinafter referred to as “CITY”.

**WITNESSETH**

**WHEREAS**, pursuant to Chapter 543 of the Nevada Revised Statutes, the DISTRICT may approve a project to design and construct flood control improvements, and;

**WHEREAS**, the CITY is proposing to design and construct flood control improvements as part of the Luning Drive Storm Drain from Vegas Drive to Holly Avenue, which consist of flood water facilities including reinforced concrete pipes, drop inlets and other appurtenances as may be necessary to control floodwaters, hereinafter defined as PROJECT, and;

**WHEREAS**, the PROJECT is identified and shown on the attached Exhibit “A”; and

**NOW, THEREFORE**, in consideration of the covenants, conditions, contracts, and promises of the parties hereto, the DISTRICT and the CITY agree to the following:

**SECTION I – SCOPE OF THE PROJECT**

This INTERLOCAL CONTRACT applies to all costs for construction to place in service the Luning Drive Storm Drain. The basic improvements shall consist of flood water facilities including pipes, channels, dikes, energy dissipators, channel structures, channel access and other appurtenances as may be necessary to control floodwaters. The improvements shall be funded through DISTRICT funds as herein described. This project is further identified and shown on the attached Exhibit “A”.

**SECTION II – PROJECT COSTS**

The DISTRICT agrees to fund PROJECT costs within the limits specified below:

1. Construction costs shall not exceed \$1,201,965 or 100 percent of construction of the first quarter mile and 50 percent for the remainder of the project, whichever is less.
2. The total cost of this CONTRACT shall not exceed \$1,201,965 which includes all Items described in Paragraph 1 above and funds will be made available after July 12, 2018.
3. If at any time during the term of this Contract the entity determines that a portion of the funds provided pursuant to this Contract will not be needed for the project, then the entity will notify the District in writing of the amount of funds that are not anticipated to be

used for the project. Upon receipt of said notification the District's obligation to pay the maximum amount set forth herein will automatically be reduced by the amount specified in the notification.

### SECTION III – GENERAL

1. The Clark County Regional Flood Control District shall be shown on the title sheet of both the plans and the specifications as the funding agency.
2. The CITY will use its best efforts to award the bid for this project by June 30, 2020. The CITY will take all reasonable steps possible to avoid delays in the construction of DISTRICT funded projects. Project delays more than four months, as measured from the award date, may be subject to a formal review by both the Technical Advisory Committee and the District Board of Directors. At the review, the CITY will have an opportunity to present information relative to the delays, measures taken to avoid the delays and the likelihood of those delays continuing. The Board will make a determination, in view of the delays and limited available funding, whether project funding should continue. In the case that the Board chooses to discontinue funding, the Board may cancel any Interlocal Contract(s) associated with the project and discontinue funding for the remainder of the project. Funding already spent or appropriated by the CITY will not be required to be refunded to the District. Project funding can be reconsidered at any time when the CITY can demonstrate that the project can proceed on an acceptable schedule.
3. The CITY will comply with the Local Purchasing Act, Chapter 332 and Public Works Projects, Chapter 338, of Nevada Revised Statutes.
4. The CITY, its employees and representatives shall at all times comply with all applicable laws, ordinances, statutes, rules and regulations in effect at the time work is performed on the PROJECT.
5. The CITY will require appropriate financial security for construction of the PROJECT.
6. The CITY shall provide all impacted entities and the DISTRICT with the opportunity to provide the CITY with input relative to the following processes: scope of services development; consultant selection; design, construction and maintenance review; and monitoring of the effectiveness and impacts of facilities on flood flows.
7. Applicable portions of the current editions of the Policies and Procedures, the Hydrologic Criteria and Drainage Design Manual, and Uniform Regulations for the Control of Drainage adopted by the DISTRICT will apply in developing this PROJECT unless specifically superseded by the CONTRACT.

8. The DISTRICT will pay the CITY, for project costs as outlined in SECTION II – PROJECT COSTS. Invoices must identify and allocate all costs to the category noted below:
  - a. Construction (all work after award of construction contract)
9. Accurate documentation of all work performed and payments made will be maintained by the CITY for a period of three (3) years in hard copy form after final project approval and payment. Following the three-year period, the CITY shall keep records for permanent storage in original form, in microfilm/fiche media, or an electronic format.
10. The DISTRICT reserves the right to review and/or audit all records pertaining to all projects both during and after project completion.
11. Up to the limits set forth in NRS Chapter 41, the CITY will indemnify and defend the DISTRICT against and from any and all claims and demands of whatsoever nature which arises out of allegations of negligence or misconduct of CITY officers, employees or agents, related to or under this Contract which results from injury to or death of any persons whomsoever, or against and from damage to or loss or destruction of property.
12. Any costs found to be improperly allocated to this PROJECT will be refunded by the CITY to the DISTRICT.

9. **Comments By the General Public**

A period devoted to comments by the general public about matters relevant to the Regional Flood Control District Citizens Advisory Committee jurisdiction will be held. No vote may be taken on a matter not listed on the posted agenda. Comments will be limited to three minutes. Please step up to the speaker's podium, clearly state your name and address and please **spell** your last name for the record. If any member of the Regional Flood Control District Citizens Advisory Committee wishes to extend the length of a presentation, this will be done by the Chairman or the Regional Flood Control District Citizens Advisory Committee by majority vote. All comments by speakers should be relevant to the Regional Flood Control District Citizens Advisory Committee action and jurisdiction.
